

## Permissions declaration

Book title:       Object Oriented Data Analysis

Author/editor names:       J. S. Marron

### I declare that:

- I have read and understood this form
- I have read and understood the [permissions guide](#)
- I have entered all information regarding necessary permissions in the table below
- I have included all permissions correspondence at the end of this document or have otherwise submitted it to my Editorial contact
- I understand that the Publisher reserves the right to remove any material for which satisfactory evidence of permission (or proof that it is not required) has not been provided
- I understand that errors in the preparation of my manuscript (or chapter) could cause delays during the production process and any costs associated with this could be charged to me.

Signature\_\_\_\_\_

Date April 8, 2021

Please start obtaining permission for all necessary items as soon as you include it in your manuscript. All permissions **must be cleared** by the time the manuscript is ready for delivery and it is **your** responsibility to obtain any permissions needed.

## Permissions Record

Please provide the complete original source line information in the columns below for all third-party material, including that which does not require permission. This information must also be included as a full source line citation after material appearing within your chapter(s).

Manuscript reference (e.g. Fig 1.1, Quote 2)	Permission secured? If no, state reason (e.g. creative commons)	Citation for original content (duplicated from the manuscript)	Link to source and/or rights information (if online)
Figure 11.10	Yes	Nelson et al. (2019) Elsevier	License Number 5044311325154
Figures 16.5, 16.6, 16.7	Yes	Locantore et al. (1999) Springer	License Number 5044310511719
Figures 16.8, 16.9, 16.10	Yes	Zhou & Marron (2016) Wiley	License Number 5044330254232
